Funding begins

We are pleased to announce the launch of the MGPO Uplift Grant program funded by the Frigoletto Committee on Physician Well-Being. The individual grant program provides 5 grants of up to \$20,000 to physician applicants to support creative ideas to improve physician well-being. Projects that are highly scalable and align with MGPO priorities may be eligible for additional funding. Through the Uplift Grant, the

MGPO seeks to add a more customized lever for front-line physicians to reduce burden and improve well-being by supporting physicians' ideas and initiatives.

Eligibility

- All MGPO physician faculty members are eligible to apply.
- Proposed projects that duplicate your department's existing Frigoletto grant-funded activities are ineligible to receive funding.
- Curious about what departments did with the first round of funding? See examples on the MGPO website at mgpo.partners.org.

Terms & Conditions

- Funds must benefit many MGPO physicians, not just the applicant.
- The grant must adhere to the mission and vision of the Frigoletto Committee to reduce administrative burden and promote career development and individual well-being.
- Spending must adhere to Partners Policy and Procedures for Employee Business Expenses.
- Funding may not be used for salary support.
- Recipients must submit brief quarterly updates.
